

Scottish Charity Awards 2026: application questions

In this document, you'll find details of all the questions contained in the Scottish Charity Awards 2026 application forms for all Awards categories.

The purpose of this document is:

- to help you review all the application questions before completing your application online
- to help you plan your application answers before completing your application online

When you're trying to decide which category is most suitable for you and your organisation, you might also find it helpful to read the criteria information at the beginning of each [online application form](#).

Please remember that to submit a Scottish Charity Awards application, you need to complete the [online application form](#).

You can submit your answers in written format (maximum 250 words per question) or by video or audio file (maximum 2 minutes per question).

More details can be found on our [useful information](#) page, or please [get in touch](#) and we'll be happy to help.
