

# Digital Connections Participation Agreement

## Purpose of this pilot

- Create opportunities to gain fresh perspectives and learn what works elsewhere
- Help participants build confidence in addressing digital and cyber challenges
- Support participants to identify realistic priorities and practical next steps
- Gather insights to inform the future development of the programme

## Participant Commitments

- Organise and attend monthly one-hour conversation (Sept - Nov 2026)
- Contribute and support each other during sessions
- Provide feedback during and after the programme
- Information shared will remain confidential unless agreed otherwise

## SCVO Commitments

- Facilitate and manage participant matching
- Provide guidance and support throughout the pilot
- Create opportunities for feedback and reflection
- Information shared will remain confidential unless agreed otherwise

Participants may withdraw from the programme at any time by notifying SCVO.

## Conversation Prompts

- Introductions / What's been happening since we last spoke?
- Potential topics to discuss and share any challenges and/or opportunities...

|                                   |                                                                                                                                                                                                                           |
